

VESPER SERVICES AT STETSON UNIVERSITY

Last Sunday the vesper service at Stetson University was largely attended, as usual. Not only was the main auditorium filled, but the galleries also were opened.

Mrs. Shackelford, President of the Woman's Club of the State of Florida, the guest of Mrs. Wideman, was in the audience. There were many other distinguished visitors there.

The subject of the address was "The Importance of seeking first of all The Kingdom of God." Emphasis was laid on putting the first thing first. Many people do not do this. They elevate secondary matters into places of supreme importance. In doing this they make failures of themselves. Every life is a plan of God, but every person must work out that plan for himself. He cannot do it by pursuing bubbles, or by blowing bubbles. The Kingdom of God should be the main thing in every person's life. It is the significant thing in each person's life.

Next Sunday the revival services begin in DeLand. The Vesper service will be planned in harmony with the revival spirit. A philosophical presentation of the subject of revivals will be present. Every year Stetson has emphasized special religious services for its students. It offers no apology for doing this. It does not do it on any little narrow two by four basis; it does not do it in the interest of any sectarianism. It does it because religion is universal; religion is of God; religion is necessary to every normal life. The vesper services are held every Sunday in the Auditorium beginning at 4 o'clock, and everybody is invited to attend them.

Headache For Years

"I keep Dr. Miles' Anti-Pain Pills on hand all the time, and would not think of taking a journey without them, no matter how short a distance I am going. I have a sister that has had terrible headaches for years, and I coaxed her to try them and they helped her so much, she now keeps them by her all the time. From my own experience I cannot praise them enough."

MRS. LOU M. CHURCHILL,
63 High st., Penacook, N. H.

Many persons have headache after any little excitement or exertion. They cannot attend church, lectures, entertainments, or ride on trains without suffering. Those who suffer in this way should try Dr. Miles' Anti-Pain Pills. They give almost instant relief without leaving any disagreeable after-effects, as they do not derange the stomach or bowels; just a pleasurable sense of relief follows their use. Get a package from your druggist. Take it according to directions, and if it does not benefit he will return your money.

Mrs. King and four children, who have been in the Gunn house this winter, left Monday for their home in New York City. Also Mrs. Barber and her four children, who have occupied the Benham cottage this winter, left Monday for their home in South Carolina.

Mr. and Mrs. Hoyt gave a card party to their friends Thursday afternoon. There were ten tables. Mrs. H. E. Jones won first prize; Mr. Frank Taylor second prize; Mrs. Morse consolation.

Miss Massey went to DeLand Thursday evening to visit her cousins, Mr. S. B. Wright, Sr., and Miss Stackhouse, who is visiting many points in Florida, also Havana, Cuba.

The whist club met Friday. There were five tables. Mrs. Rowland won first prize; Mrs. Wm. Wood second prize; Miss Marcia Wood won consolation prize.

Mr. William C. Fuller, of Colton, Cal., has been visiting Mr. James Walden this last week. Mr. Fuller is a great orange raiser, owning about five hundred acres in California. He used to be a neighbor of Mr. Walden in Willimantic, Conn.

Mr. Charles Marvin and wife arrived Monday evening from Canton, Ohio, with the remains of his mother, Mrs. Dr. Marvin. Dr. Marvin and wife are well and favorably known here by all the old settlers. Dr. Marvin came here the winter of 1880 and 1881. He purchased ten acres of land on French avenue, and built a nice house and an orange grove. His family came the next fall. They lived here until the Dr. died about twelve years ago. His son Charles was then a dentist in Palatka. He came home and took his Mother to Canton, Ohio, where they have lived ever since. Mrs. Marvin was a very smart and pretty lady, and had a good many warm friends in Orange City. She died very suddenly from apoplexy. She was just as well as usual; had gotten her dinner, did up her work and was sitting in her arm chair reading when Charles made her his usual after dinner visit, as he says he always did on his way to his office. She talked with him as usual and seemed perfectly well. She raised up out of her chair and complained of being dizzy. He helped her to the couch and she soon passed away. The funeral was attended by old friends here at 10 o'clock Tuesday morning at the Congregational church, of which she was a charter member. Rev. Halliday officiated. The remains were laid at rest in Holley Cemetery beside her husband and son George, who died here about twenty-two years ago.

Mr. S. B. Wright, Jr., and wife and Miss L. A. Stackhouse, a cousin, were in Orange City last Thursday on business and calling on Miss Massey.

Mrs. Welch is improving slowly. She can sit up some now.

Miss Helen Manville came home Friday night for a short visit. She will return to her school next week.

There were about twenty of our people left on Monday for Coronado Beach: Mr. Sarver and family, Mr. Marshall and his family, Mr. Broadhead and his family, Captain Braisted and wife and a friend, Capt. McCartha, Mrs. Isaman and Miss Butter.

Mr. Jesse Ryerson accompanied his friends, but will only spend a few days at the beach, as he must be in Jacksonville the 8th of March to join his ball club. They then go in to practice in Jacksonville for six weeks.

Several of the guests of Orange City Hotel left on Monday for

Tampa. They will return to Orange city.

Dr. I. C. Curtis has been painting his cottage last week and otherwise improving his place.

The euchre club met Tuesday evening, five tables. Mrs. S. C. Fuller won ladies prize; Mr. S. C. Fuller, gentlemen's prize.

Mrs. J. B. C. Tuell, of Bradford, Conn., is spending a few days here, a guest at the Fenwick House. She spent the winter here twenty-eight years ago, with her aunt, Mrs. Emma Tabor Thorpe. She is looking over the old stamping ground. She is pleased with the appearance of Orange City at present; thinks she would like to live here. We hope she may.

Two picnic parties went from Orange City Wednesday: one to Green Spring, and one to Blue Lake. It was an ideal day for picnics.

Mrs. Lawrence Dade drove to Blue Spring Wednesday morning to show its beauties to her uncle and aunt, Mr. and Mrs. Armstrong, also Madam Dade. She says she never saw the place until this morning.

The Congregational church is holding grand services every Sabbath morning. Every seat in the church is filled. Dr. Conway's sermons are fine. The music by Mr. Wm. Heebner a week ago was something grand. He fairly outdid himself. Wish you could all have heard it.

Mrs. Finney gave another card party Friday evening. There were twenty of her friends present.

The Doctor's First Question

"How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. J. C. Ayer Co., Lowell, Mass.
